NEWSLETTER: November 2025

Headteacher's Message

Dear Parents, Carers and Families,

What a fantastic start to November it's been here at school! There has been such a lovely buzz of energy throughout the classrooms and corridors. The children have shown impressive teamwork learning about their new history topics. It's wonderful to see our pupils taking pride in their work and supporting each other so beautifully.

Across the school, there have been so many highlights to celebrate. Our younger classes have been busy exploring in forest schools, while older children have explored new experiences on wonderful school trips. Staff have been particularly impressed with the positive attitudes, kindness and curiosity on display — it really makes our school community shine.

As we move into this special time of year, I wanted to take a moment to talk about our Christmas celebrations. We know that some families may be a little disappointed that not all year groups will be taking part in a Christmas production this year. This decision was made with the hope of offering a more balanced and inclusive festive experience for everyone.

Instead of focusing solely on productions, we are introducing a variety of seasonal events and activities across the school — from festive quizzes and community singing to class parties, craft mornings and opportunities for pupils and families to come together in different ways. We believe this approach will allow all children to enjoy the season, participate meaningfully and create lasting memories.

Thank you, as always, for your understanding and continued support. The sense of community and partnership between home and school is what makes our school such a special place to learn and grow. We look forward to sharing more details about upcoming church services and Carols on the Playground — there's plenty to look forward to!

Wishing you all a restful weekend,

Ellie Dawson
