Headteacher's Message

Dear Parents, Carers and Families,

As November draws to a close, I would like to take a moment to reflect on what has been an exceptionally busy, productive and rewarding month for our school. The momentum across classrooms, corridors and Stay and Learns has been truly inspiring and I am proud to share some of the highlights with you. We have much to celebrate! From impressive classroom improvements to taking part in sporting completions to creative successes and acts of kindness, our children continue to make us proud. Wow assemblies have been filled with certificates, cheers and recognition of effort as well as achievement. Our children are demonstrating not only their talents but also the values that sit at the heart of our school.

Looking Ahead

As we move into December, we anticipate an exciting run-up to the festive break. There will be opportunities for celebration, community activities and continued hard work. Please keep an eye on upcoming messages regarding year groups events and key dates.

Staffing Updates At the end of the term, Miss Dodd will leave Poppleton Road to begin a new adventure. I am sure you will join me with wishing Miss Dodd lots of luck for the future.

Nursery—Mrs Sharp will be our nursery teacher from January. She is extremely excited and has already started to spend sometime to getting to know the children.

Reception—(RLS) Thursday and Friday—Mrs Lodder will join the EYFS team and is again really excited about her new class.

Both Mrs Sharp and Mrs Lodder would love the opportunity to meet parents and carers before the Christmas break. On Wednesday 10th December at 2:45, we are welcoming nursery and RLS families to come into the setting to meet the new teachers and spend some time with them before pick up at 3:15.

Joining the Y1 and Y2 team is **Miss Mapplebeck**. Miss Mapplebeck has worked across all classes in school since September and will be the teacher in 1BL on Thursday and 2NL on Friday.

Warm wishes,

Ellie Dawson

We have seen a rise in children bringing crisps, chocolate biscuits and high sugar snacks. School fruit can be offered as an alternative.
